

CURRICULUM VITAE

ALEC T. BEALL

UBC Department of Psychology
2136 West Mall
Vancouver, B.C. V6T 1Z4

website: www.AlecBeall.com

FOCUS OF RESEARCH

Evolutionary psychology, social psychology and sexual attractiveness. My research goal is to further scholarly knowledge of human attraction, social judgment and mate selection. My love of evolutionary psychology and emotion expression will continue to guide my endeavors in these areas. Specific project information and research interests available at: <http://www.alecbeall.com>
